

Sinclair Broadcast Group IS NOT serving our community! They are airing parts of an anti-Kerry documentary "Stolen Honor" in a one hour 'NEWS' program featuring segments of it on Friday on 40 of the 62 stations Sinclair controls nationwide!! This is not NEWS. This is the blatant usage of public airways to sway the public to vote Republican in the Presidential election. This must be stopped if we are to remain democratic....a very big 'if'. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
